Team

Meridian's success is made possible by the efforts of our team of 34 employees. The Partners of Meridian focus tirelessly on attracting and retaining the highest quality team members across all areas of the organization. Meridian places a strong emphasis on ethics and values and believes they are among the keys to our success.

As we continue to build the world's finest fund-of-hedge fund management company, we have created a competitive environment that fosters growth and opportunity, where each individual shares the common goal of achieving the highest level of success possible.
